# CHEVAL LIBERTÉ INTERNAL STABLES

Transform existing barns and buildings into professional, high-quality stabling with Cheval Liberté internal stables. Designed to make the most of the space you already have, our modular systems deliver a premium finish without the need for a full rebuild.

Manufactured using galvanised steel frames and durable infill options, Cheval Liberté internal stables are built for long-term performance, safety and horse comfort. Flexible layouts and a wide choice of sizes and accessories make them suitable for private yards, competition facilities and commercial use.

This leaflet and price list highlights the available ranges, configurations and options – helping you specify the right stabling solution with confidence and trusted Cheval Liberté quality.

## WHY CHOOSE AND BUY INTERNAL STABLES CHEVAL LIBERTÉ

1

### CHOOSE YOUR STABLE LAYOUT
